FOR IMMEDIATE RELEASE

MASSACHUSETTS ALLIANCE FOR ECONOMIC DEVELOPMENT (MAED) ANNOUNCES NUCLEA BIOMARKERS IS AWARDED ECONOMIC IMPACT AWARD FOR EMERGING COMPANIES

Pittsfield, Massachusetts ----- November 16th, 2006 Nuclea Biomarkers, LLC

Announced today it has been selected for an Economic Impact Award for Emerging Companies. In the only awards event of its kind in Massachusetts, fifteen companies from across the Commonwealth will be recognized on November 21st for their outstanding contributions to the Massachusetts economy. The companies were selected based on their job and facility expansion since January 1, 2005, as well as other factors, including community involvement.

“We are very excited about this economic development award“ states Patrick Muraca, President and CEO. “We are committed to the development and growth of the company in Massachusetts” Muraca states.

The Third Annual Team Massachusetts Economic Impact Award winners will be formally announced at it’s November 21 luncheon, which will take place at the Seaport Hotel in Boston.

Nuclea Biomarkers, LLC - Nuclea Biomarkers, LLC is a biotechnology services company that has developed a novel technology platform to improve greatly the efficiency of drug discovery research. Using the Company’s extensive libraries of genetic, molecular, and outcomes data and data-mining services, research professionals in pharmaceutical and life sciences companies are able to focus time and money on the most promising paths for diagnosing and treating a broad range of diseases.
